In order to improve the quality of Thematic Poster Sessions (TPS), EAACI has decided to invest into the **Interactio App**, which can be used on delegates' own mobile device for acoustically clear listening of Thematic Poster Presentations.

Your live audio streaming channel

- Connect to WiFi
- Download the Interactio app
- Open the app and enter code: **eaaci**
- Plug in your headphones
- Choose your poster session and...
- Enjoy undisturbed audio of the presentations

Tune in to EAACI 2017

With Interactio, you have the perfect tool allowing you to hear all live poster presentations (TPS) in an acoustically clear and hassle-free way.

Please kindly note: To be able to use the app and all functions, your smartphone must be connected to the internet. Therefore, free WiFi will be provided by EAACI to all delegates, and we encourage you to download the app prior to the poster sessions taking place during the lunch break. If you need assistance with the app, please ask our service staff at the poster area who will be happy to help you.

# CME Credits & Technology used at EAACI (Waytation)

Scan-free automated certification process at the EAACI 2017 congress  
Provider of digital solution is company Waytation

3 simple steps on how to automatically collect your CME credits with EAACI CME:

- 1) Collect your lanyard (with badge) in the registration area
- 2) Pick up your tag (chip) at the CME Counter and synchronize it with your badge
- 3) Attend EAACI Scientific Sessions each day and collect your CME credits automatically

## Advantages:

- ✓ No more hand scanning of badges in front of each session room
- ✓ Additionally, it enables each participant to receive an overview of each session they personally attended
- ✓ EAACI will gain valuable insights about the congress programme and exhibition; This will allow the Scientific Programme Committee to constantly improve future EAACI congresses and to recognise popular topics amongst all attendees

**YOUR CME CREDIT POINTS**

**MAKING YOUR EAACI EXPERIENCE BETTER, FASTER AND MORE CONVENIENT**

Get your CME credits on the go and help us to optimise our future congresses

**3 EASY STEPS TO COLLECT YOUR CME CREDITS:**

1. Collect your lanyard in the registration area
2. Pick up your tag at the CME Counter and synchronise it with your badge
3. Attend EAACI Scientific Sessions each day and collect your CME credits automatically

For information and assistance, please ask our CME Team.

The EAACI Congress 2017 has been accredited with 24 European external CME credits (ECMECs).

At the beginning of July, you will receive a link and detailed information to download your CME Certificate.

Report of the mandatory auditors  
to the management of

MERKLI & PARTNER AG

## European Academy of Allergy and Clinical Immunology, Zürich

As mandatory auditors, we have audited the financial statements (balance sheet and income statement) of European Academy of Allergy and Clinical Immunology for the year ended 31 December 2016.

These financial statements (balance sheet and income statement) are the responsibility of the board of directors.

Our responsibility is to express an opinion on these financial statements based on our audit. Our audit was conducted in accordance with auditing standards promulgated by the Swiss profession, which require that an audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement. We have examined on a test basis evidence supporting the amounts and disclosures in the financial statements. We have also assessed the accounting principles used, significant estimates made and the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the accounting records and financial statements (balance sheet and income statement) comply with Swiss law.
