

EAAACI
INNOVATION HUB

Do you know EAACI?

The European Academy of Allergy and Clinical Immunology is the primary source of expertise in Europe for all aspects of allergy.

EAACI is an association of clinicians, researchers and allied health professionals, dedicated to improving the health of people affected by allergic diseases with more than 15,000 members from 124 countries and over 50 National Allergy Societies.

EAACI CONGRESS 2024

Revolutionising Patient Care through the Power of Data Science

Join the largest congress in allergy, asthma, and immunology.

Meet professionals from around the globe to explore topics like precision medicine, AI, immunotherapy, and novel treatments, sparking discussions and fostering innovation.

Valencia, Spain

31 May - 3 June

What is the **INNOVATION HUB**?

This is an exclusive space in the EAACI 2024 Congress for you to showcase your innovative solutions to improve the lives of patients suffering from allergy and asthma.

The Innovation Hub is a new and immersive initiative to include new innovations in AI and data science.
